

Agenda

Haverhill Mayor's Energy Task Force Meeting Monday, July 18, 2007, 7:00 PM

1. Shubhada Kambli from the EPA

- EPA Community Energy Challenge program
- Currently our task force report document has recommendation 8: “Take the EPA Community Energy Challenge”

2. Colin LePage

- Suggestion to enhance our recommendation 2: “Utilize MTC Clean Energy Choice credits”

3. Communication from Haverhill City Council

- Request for update on our progress
- Mike will appear before City Council July 24

4. Communication from Jack Bevelacqua

- Requiring trash haulers to use CNG trash trucks

5. Communication from Katy Krottinger of Clean Water Action

- Suggested task force report enhancements regarding MTC programs

6. Planning update for our 16 August “Clean Energy & You” event at the library

- Move start time to 5:30 to accommodate 7:00 debate at City Hall
- Need news coverage soon

7. Review the task force report document rev 9

- Decide if it is ready to release
- The task force had agreed to produce a report 6 months from Jan 22, 2007
- We probably can approve it with specific edits

8. Sign the report signature page

9. Future meeting dates

- Clean Energy and You, Haverhill Public Library
August 16, please be there at 5:00 to set up
- Monthly meetings?
